

A photograph of a wine taster evening. In the foreground, a large wooden cheese platter is filled with various cheeses, including wedges of cheddar, blue cheese, and round wheels of cheese. There are also some breads and a small bowl of dip. In the background, a wine bottle is being poured into a glass, and two other glasses are on the table. The setting is a room with a brick fireplace and a fire burning in the hearth.

FRIDAY 19TH November 2021

7 pm
